

Angel Maria Torres

y sus ultimos Mamboleros

Uuhh Aahh, Maaaambo!!!

This grand orchestra plays burning 50s Mexican Mambo just like Perez Prado, the undisputed KING OF MAMBO! They bring the Mambo craze of the 50s back to its best. Eleven exiled Mexicans complete with pimp mustaches and pommade hairstyles, led by the mysterious El Maximo Leader, Angel Maria Torres, who yells and moans like a fool. It's a pity this creative genius is often late or doesn't show up at all. But this is one band that knows how to get things burning no matter what. Check it out!
